Control your comfort

IntelliFire™ Plus RC300 wireless control

(standard) Designed to wirelessly control your fireplace, a large LCD screen and simple navigation provide easy operation. The RC300 can be docked on the wall to mimic a thermostat or used as a remote.

Features:

- Pilot activation
- Automatic battery backup
- Five-step flame height
- Child lock
- Two additional auxiliary functions
- Wall docking station
- Timer mode
- Thermostat mode
- Room temperature readout
- On/off

Move heat where you want it

Heat-Zone™ Technology

Draw heat from your fireplace to another room in your home. Redirect up to 50% of the heat, while reducing wall temperatures above the fireplace.

Heat Duct Technology

Send the warmth from your fireplace to the rest of your home via the furnace ductwork. Redirect up to 50% of the heat while reducing wall temperatures above the fireplace.

Heat Out Technology

Draw heat from your fireplace and direct it outside. Redirect up to 40% of the heat while reducing wall temperatures above the fireplace.

Install virtually anywhere

Power Venting Technology

A fan-powered accessory with slim venting can zigzag throughout your home – up, down, over or under – making it possible to install a gas fireplace virtually anywhere.

IntelliFire™ Plus Ignition System An advanced intermittent pilot ignition system with memory settings. IPI Plus constantly monitors ignition, ensures safe functioning and conserves up to \$10/month in energy costs.

Direct Vent Technology Direct Vent fireplaces remove 100% of combustion exhaust and odors from your space. These sealed fireplaces provide optimal heat.

Limited Lifetime Warranty¹

The strongest in the industry, Majestic provides a limited lifetime warranty on gas-burning products of the most important aspects: firebox and heat exchanger.

¹: For full warranty details go to majesticproducts.com. The information provided in this literature is for planning purposes only and subject to change. Please consult the installation manual for actual installation. Actual product appearance may differ from product images. Fireplace, stove and insert surfaces get extremely HOT and can cause severe burns if touched. Keep a safe distance away.
